

PROGRAM OVERVIEW

Signature's scholarship program is intended to help enhance the intellectual and personal growth of college and post-graduate students who are legal dependents of current Signature Performance Associates. This will be accomplished through cash awards that help cover the cost of tuition and expenses students will face when continuing their education. The establishment of this program is designed to make the lives of those we work with better.

SCHOLARSHIP AWARD

Each year a limited number of scholarship recipients will be awarded with a one-time scholarship for up to \$2,000, payable to a certified educational institution to be applied toward tuition and fees. This scholarship award does not automatically renew, but can be reapplied for annually.
